

CAKRĀ-S and KUNDALINĪ

The Two words that fascinate all Yoga practitioners as well as the general public
are the ***Cakrā-s*** and ***Kundalini***

Many myths and fanciful ideas are linked with these two words.

Many Seekers are bewildered and
are almost pushed into undertaking this path, based only on their allurements.

To cater to the needs of such an enormous interest of the public,
many techniques have been invented and taught.

Unfortunately, many are caught unawares.

Cakrā-s and Kundalini are hidden deep in our constitution, not available to everyone.

These two, test the commitment, clarity and arduousness of the Seekers.

Unless the preliminary steps are crossed, the deeper avenues are not seen.

Treading on the Path is a possibility only after the practitioners are well qualified.

This two days webinar focuses on providing
