

VEDĀNTA DARŚANAM

*Like Yoga, Vedanta is an another philosophical system of India
which captivates the inquisitive minds all over the world*

*It does not rely on the authority of a preceptor.
Its Truth is its Sovereignty*

*No Master or Guru can claim authority.
No religion has a hold on it*

*It belongs to everyone without any distinction
Its expositions are completely scientific
and it transcends the realms of Science also*

*Its declarations are the boldest, the world has ever heard.
It says "Saint or Sinner, Ant or Elephant,
the real SELF is essentially the same and Divine."*

*Vedanta helps everyone to identify, the divinity within
and to experience the absolute state of Peace and Bliss.*

*This Vedanta can only be experienced
This reality can only be realised
This Absolute, one can only Become*

This webinar focuses on exploring
